St. Regis Rituals

For an elegant addition to your ceremony, our Signature Rituals, such as the Champagne Sabering, the afternoon tea or the Bloody Mary recipes, can be tailored as desired.

Afternoon Tea

This tradition of a light afternoon social repast is thought to have its origin in the mid-18th century, when Anna, seventh Duchess of Bedford, found it necessary to stave the hunger pangs, brought on by lengthy time between lunch and dinner, by indulging in sweet pastries, slices of bread with good sweet butter and other niceties. Today, following the tradition, at the St. Regis Mardavall we have a tailored afternoon tea ritual with a wide selection of tea flavors that you will be able to enjoy by the pool or on the terrace of our bar.

Evening Ritual

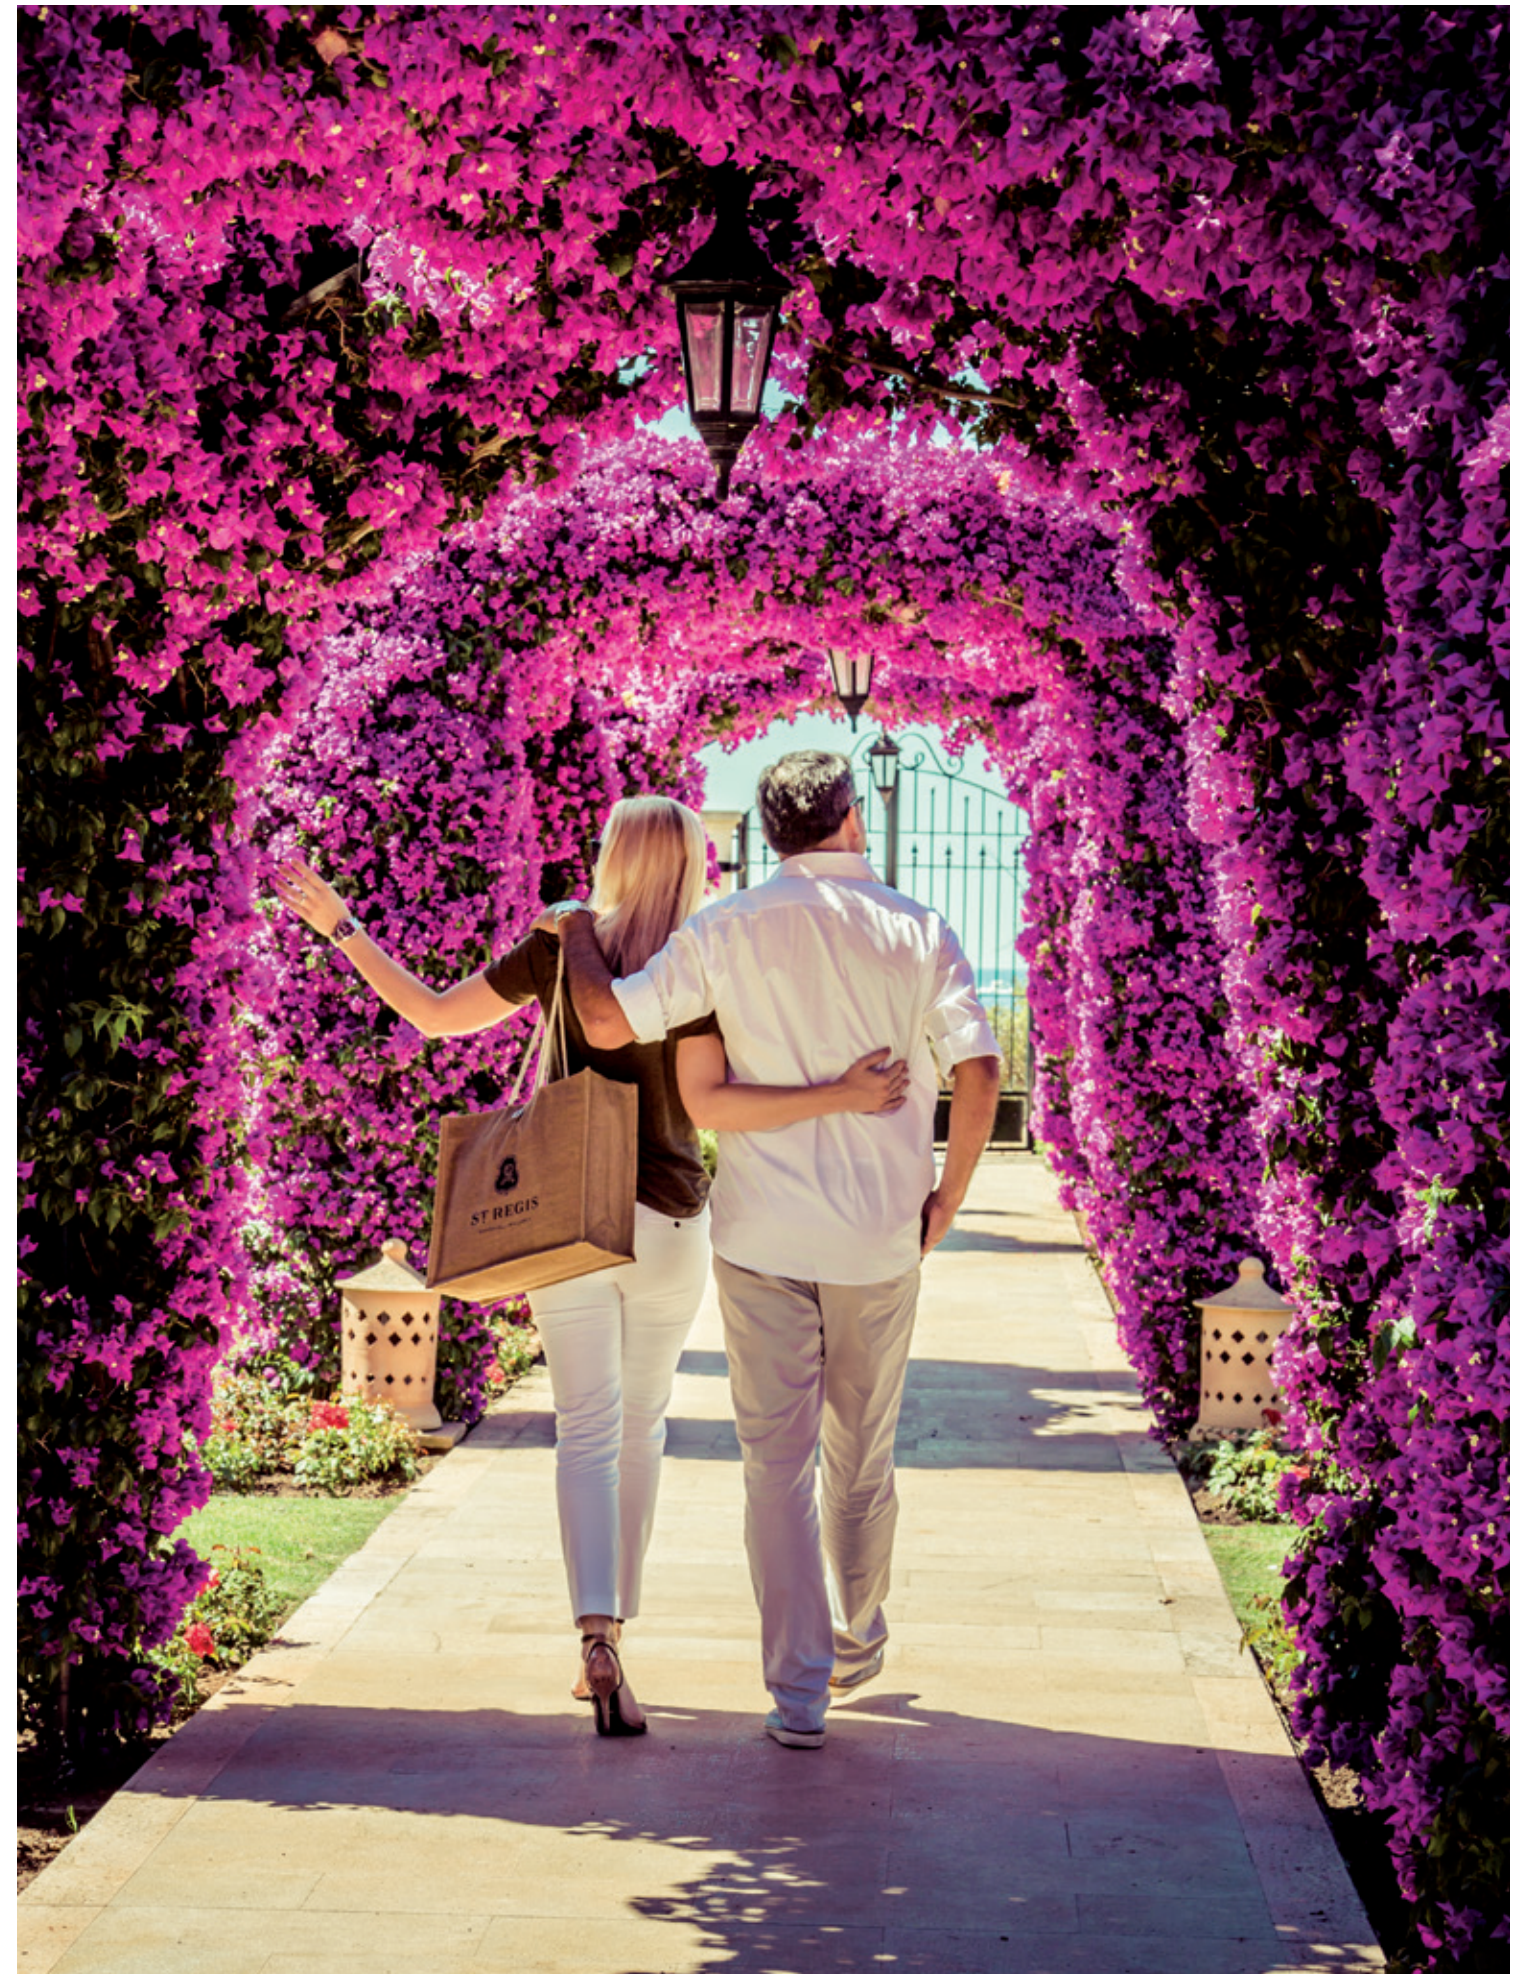

Every evening our Bar Chef opens a bottle of Champagne with a saber as Napoleón Bonaparte used to do when celebrating his victories. Enjoy this legacy ritual at the Bar Es Vent. If you would like to include the St. Regis Champagne Ritual in your Wedding day we would be pleased to plan this tailored to your requests.
